

Spine Reflex

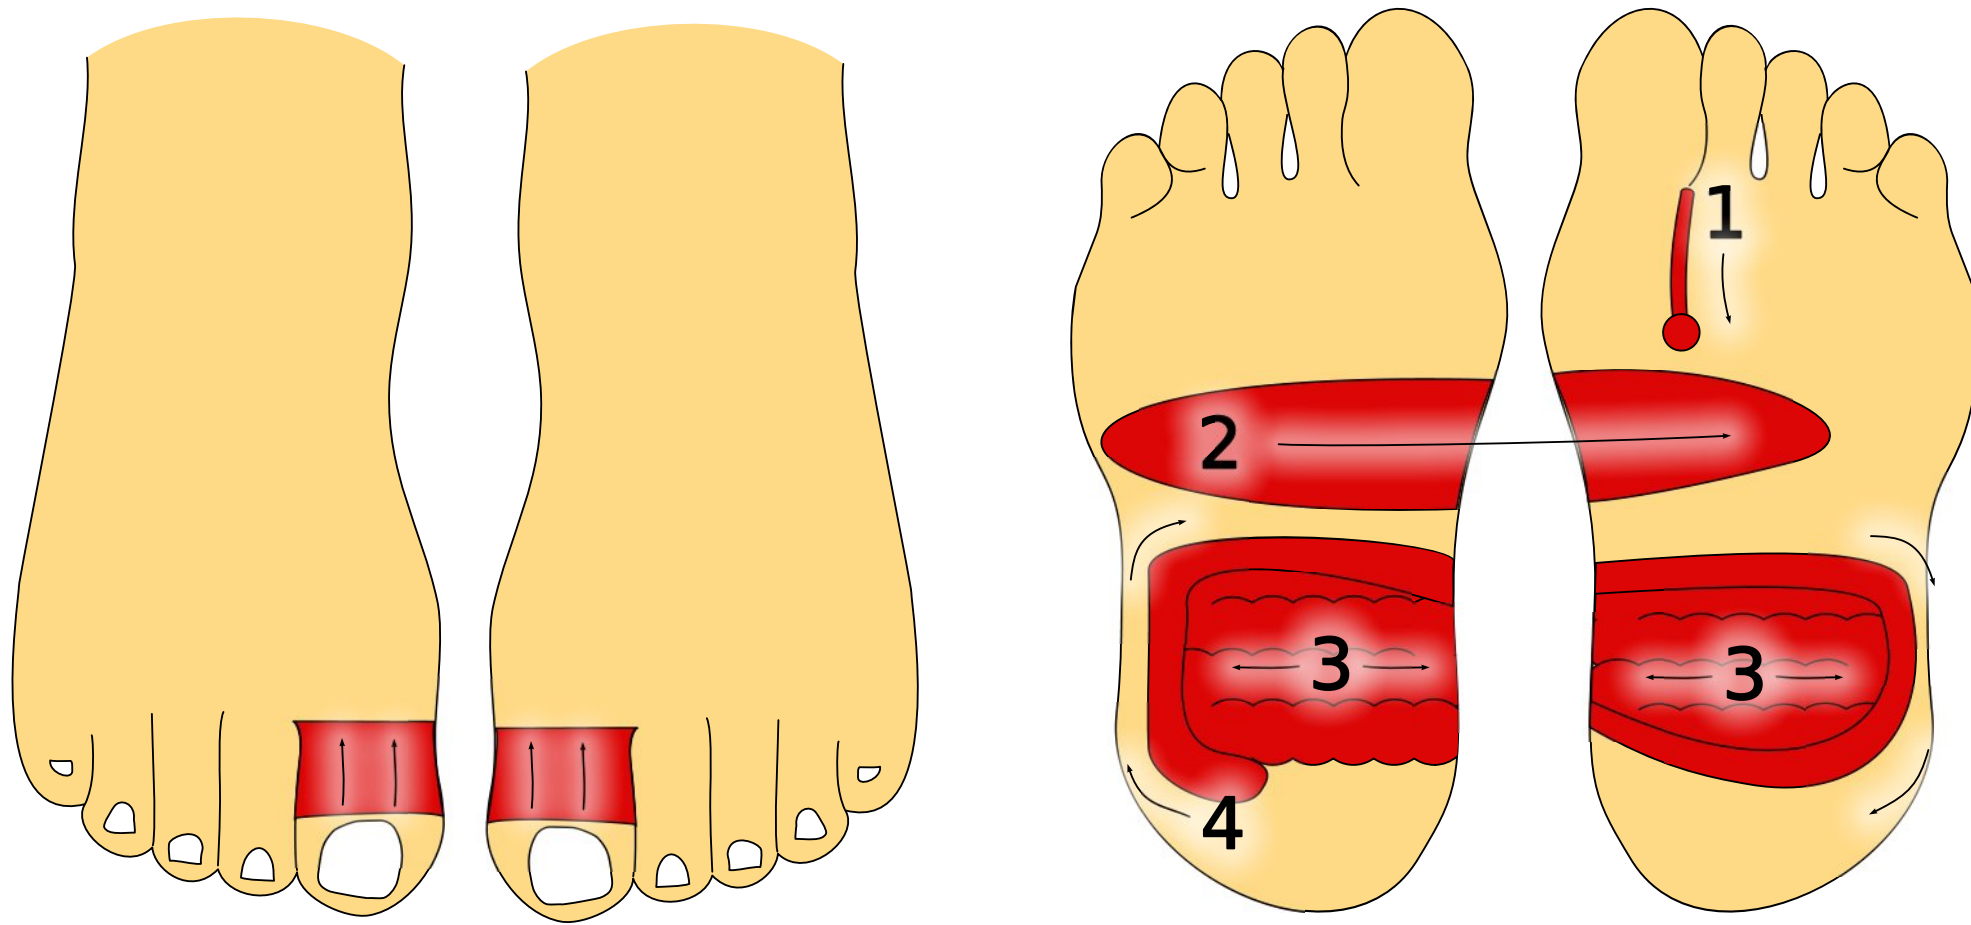

Snake

Snake is playing in the sun
Hide and seek, having fun
Sliding down the mountainside
Slithering up the other to hide

Digestive System Reflexes

Mole

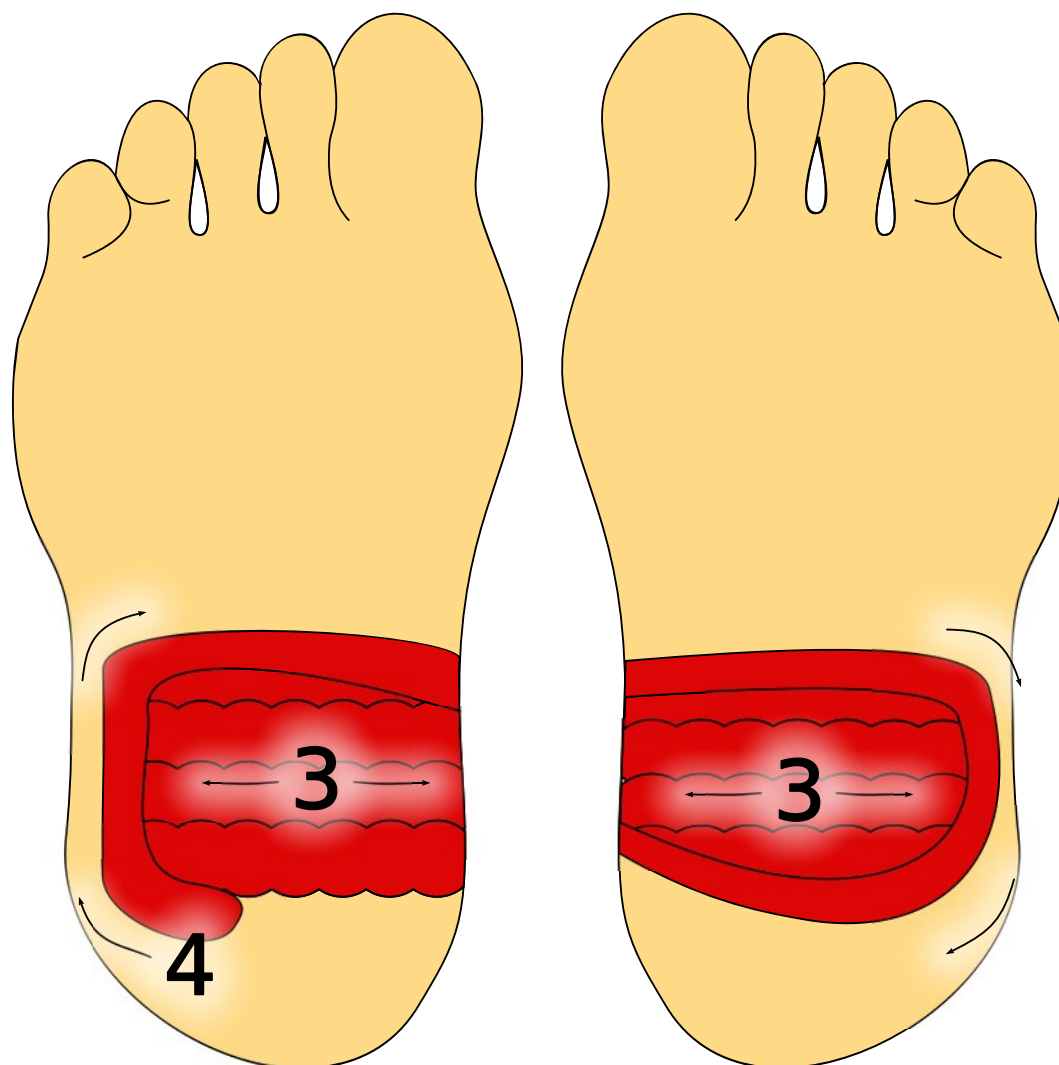

Down, down under the ground
Through the tunnels down, down
Into rooms, large and round
Warm and cosy deep underground

A sound in the silence, let's have a peep
It sounds like snoring, it's Mole fast asleep.

Digestive System Reflexes

Mole

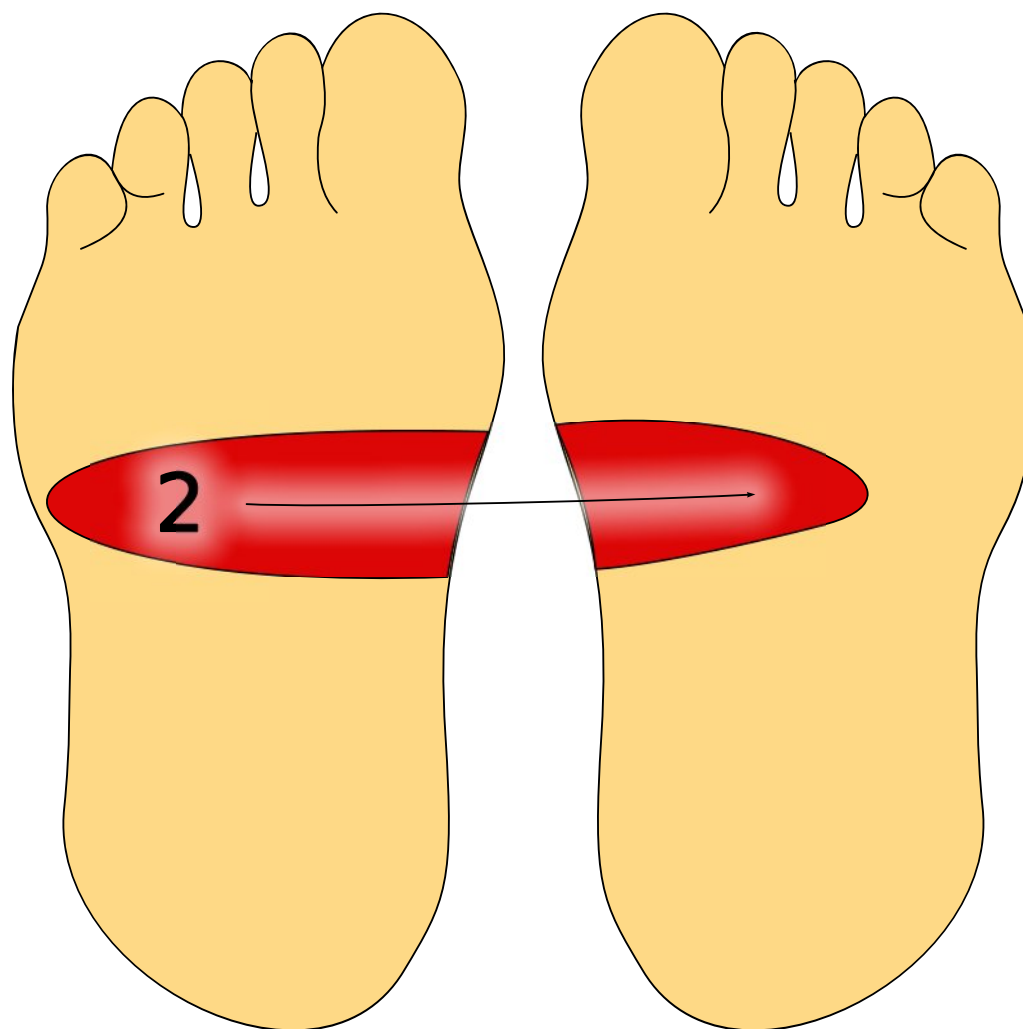

Down, down under the ground
Through the tunnels down, down
Into rooms, large and round
Warm and cosy deep underground

A sound in the silence, let's have a peep
It sounds like snoring, it's Mole fast asleep.

Digestive System Reflexes

Down, down under the ground
Through the tunnels down, down
Into rooms, large and round
Warm and cosy deep underground

A sound in the silence, let's have a peep
It sounds like snoring, it's Mole fast asleep.

Digestive System Reflexes

Mole

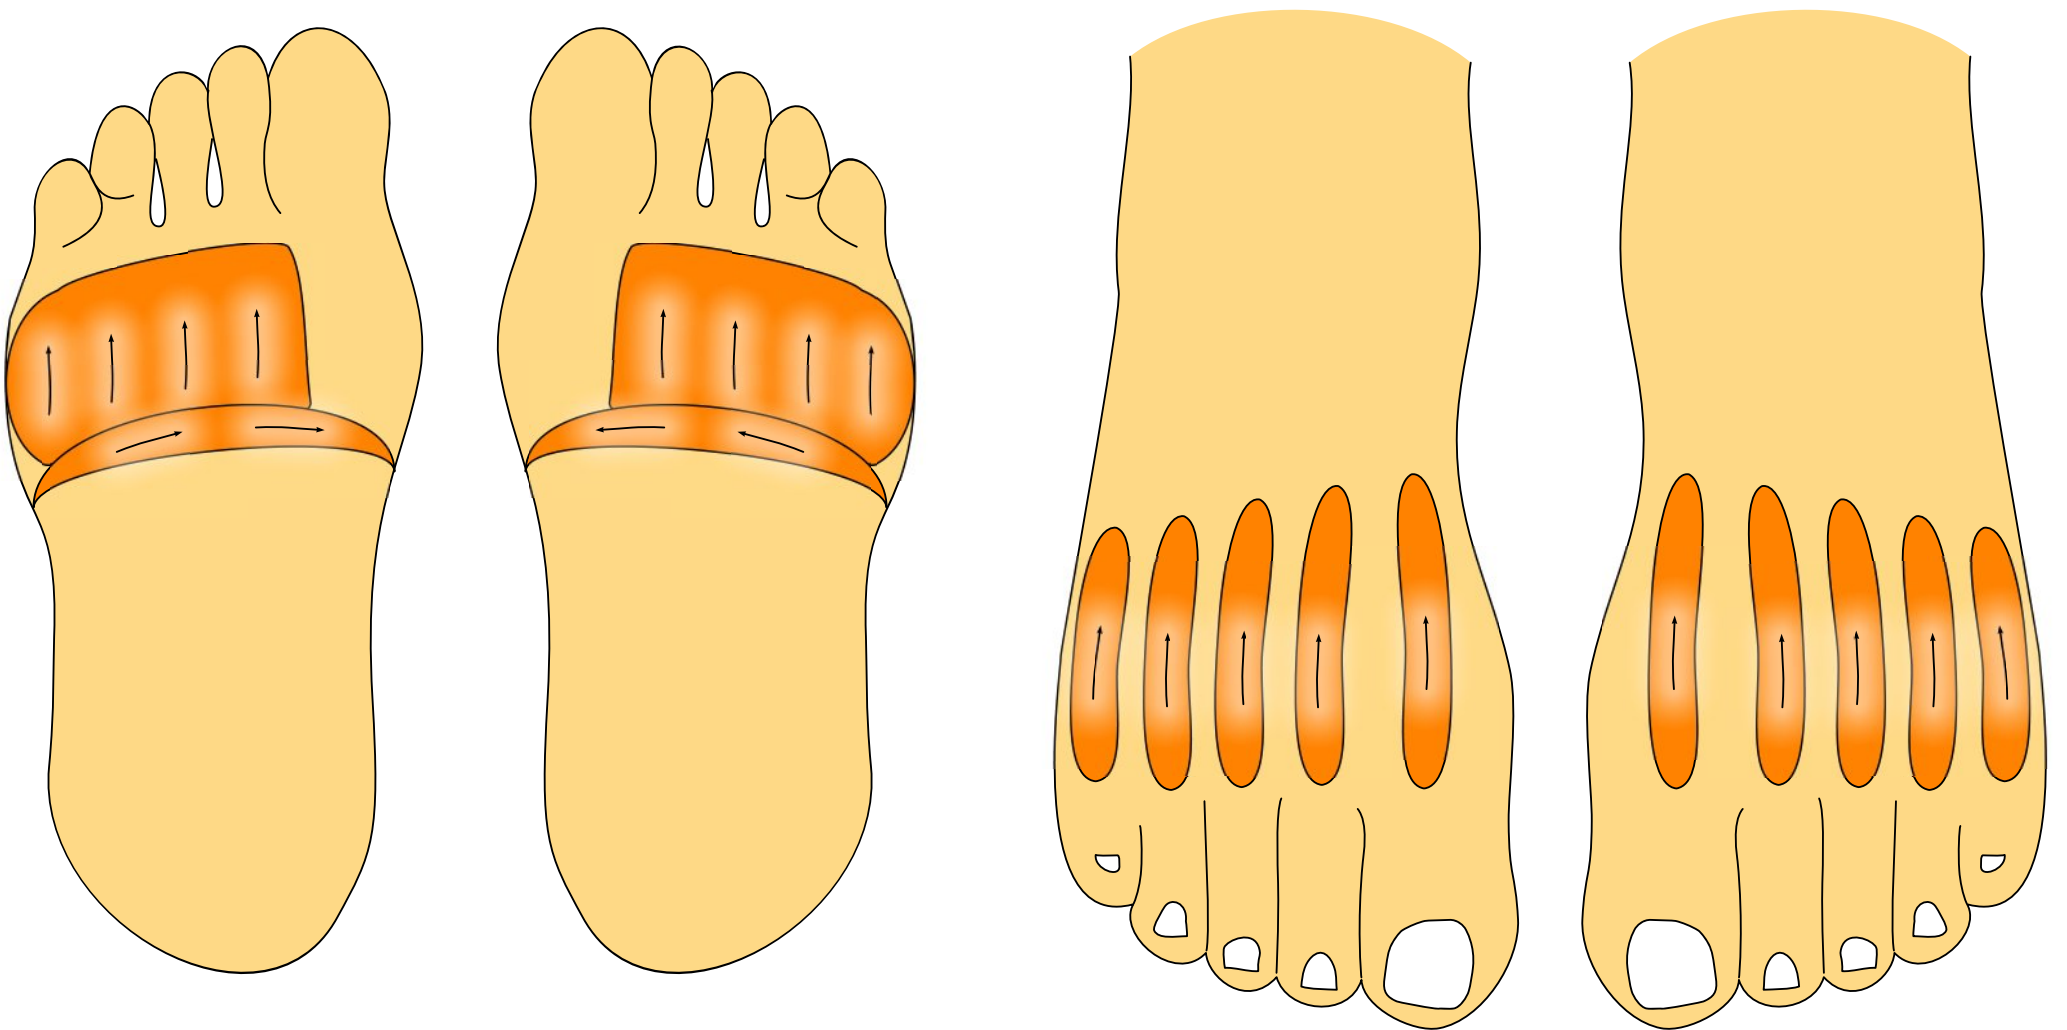

Down, down under the ground
Through the tunnels down, down
Into rooms, large and round
Warm and cosy deep underground

A sound in the silence, let's have a peep
It sounds like snoring, it's Mole fast asleep.

Lung & Chest Reflexes

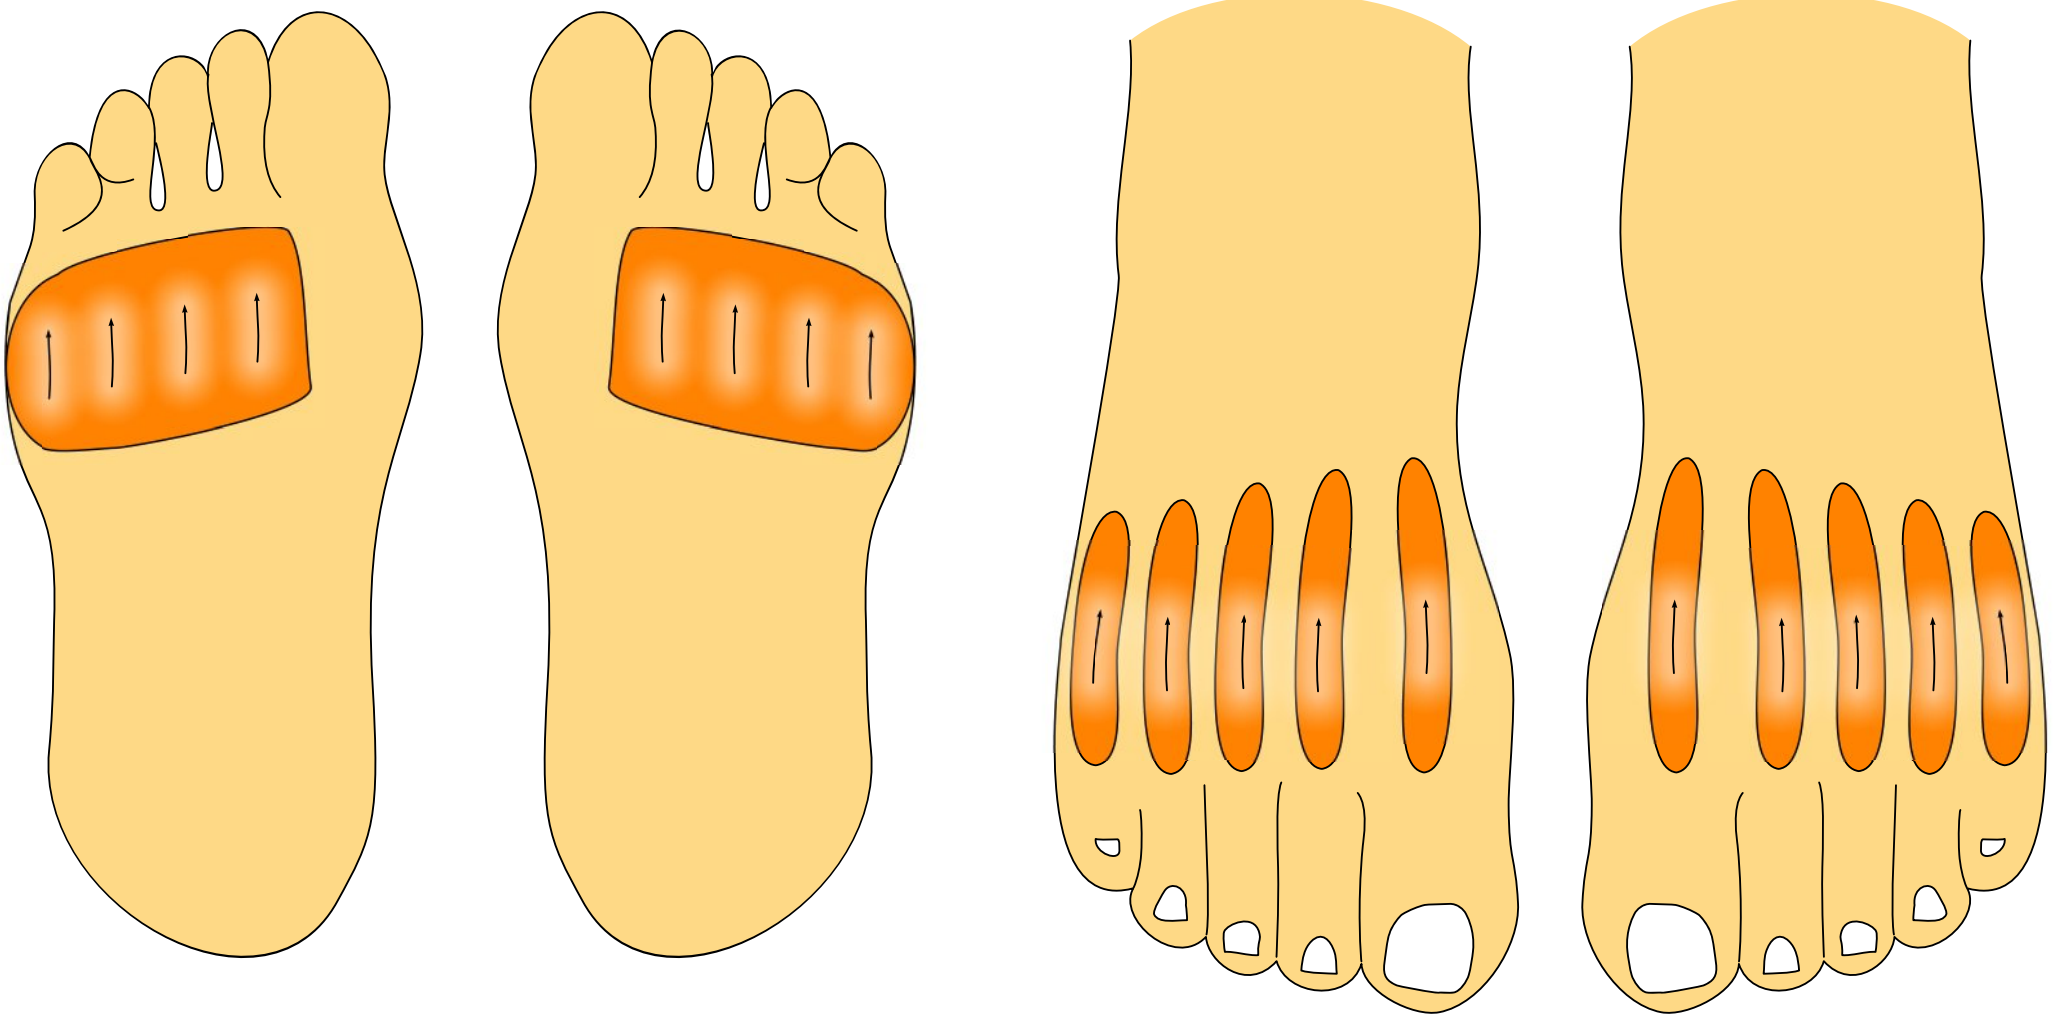

Hare

Hare running wild, Hare running free
Kicking his heels, hopping with glee
Over the open plains to the sea
To visit Otter, his friend, and have tea

Lung & Chest Reflexes

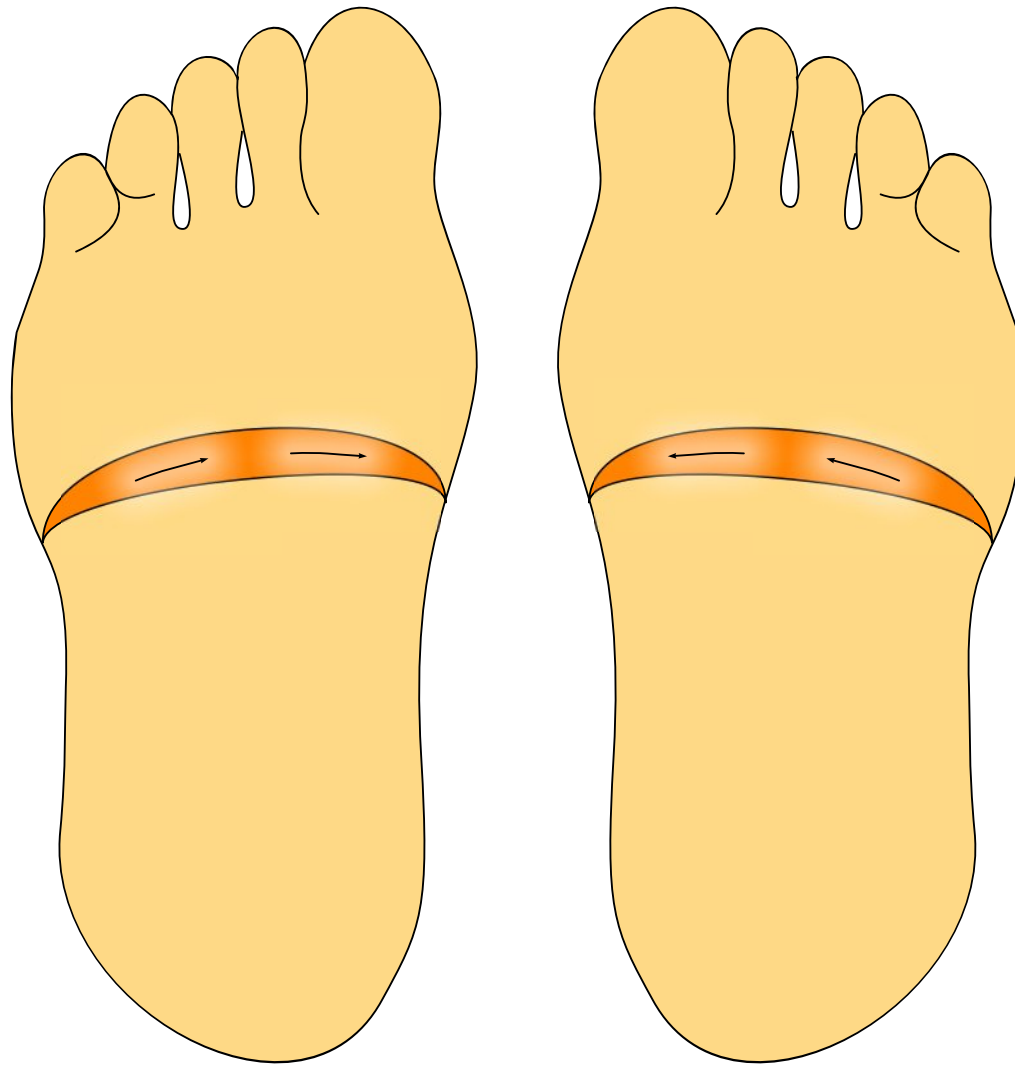

Hare

Hare running wild, Hare running free
Kicking his heels, hopping with glee
Over the open plains to the sea
To visit Otter, his friend, and have tea

Diaphragm Reflexes

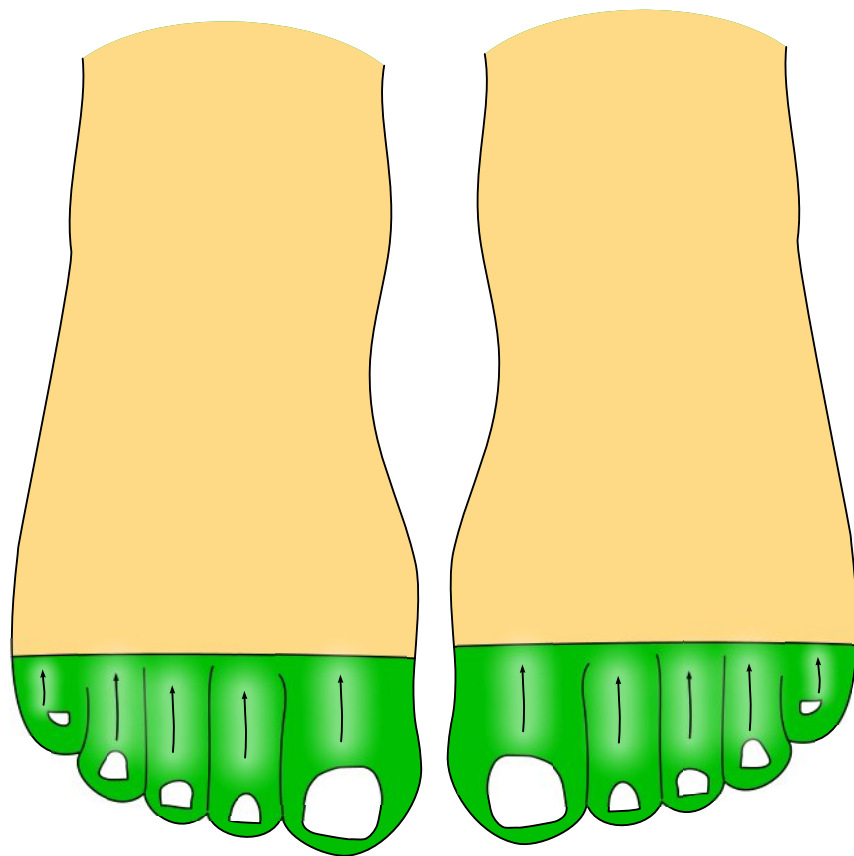

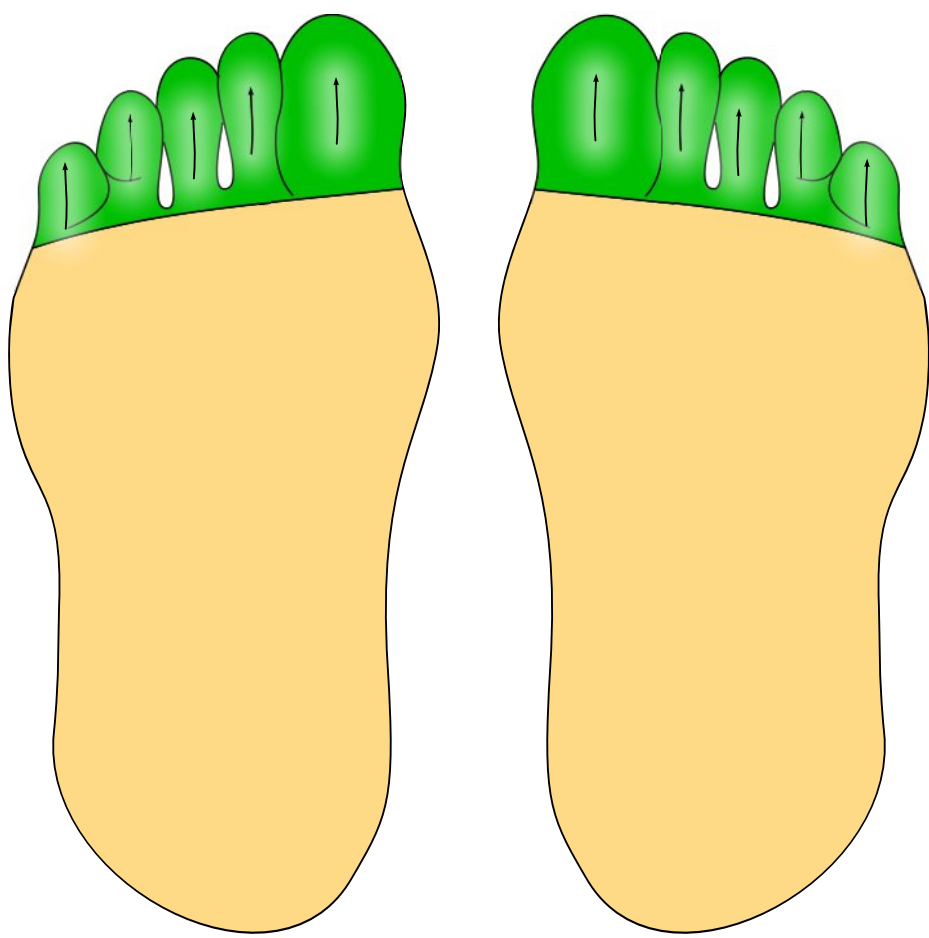

Hare

Hare running wild, Hare running free
Kicking his heels, hopping with glee
Over the open plains to the sea
To visit Otter, his friend, and have tea

Head Reflexes

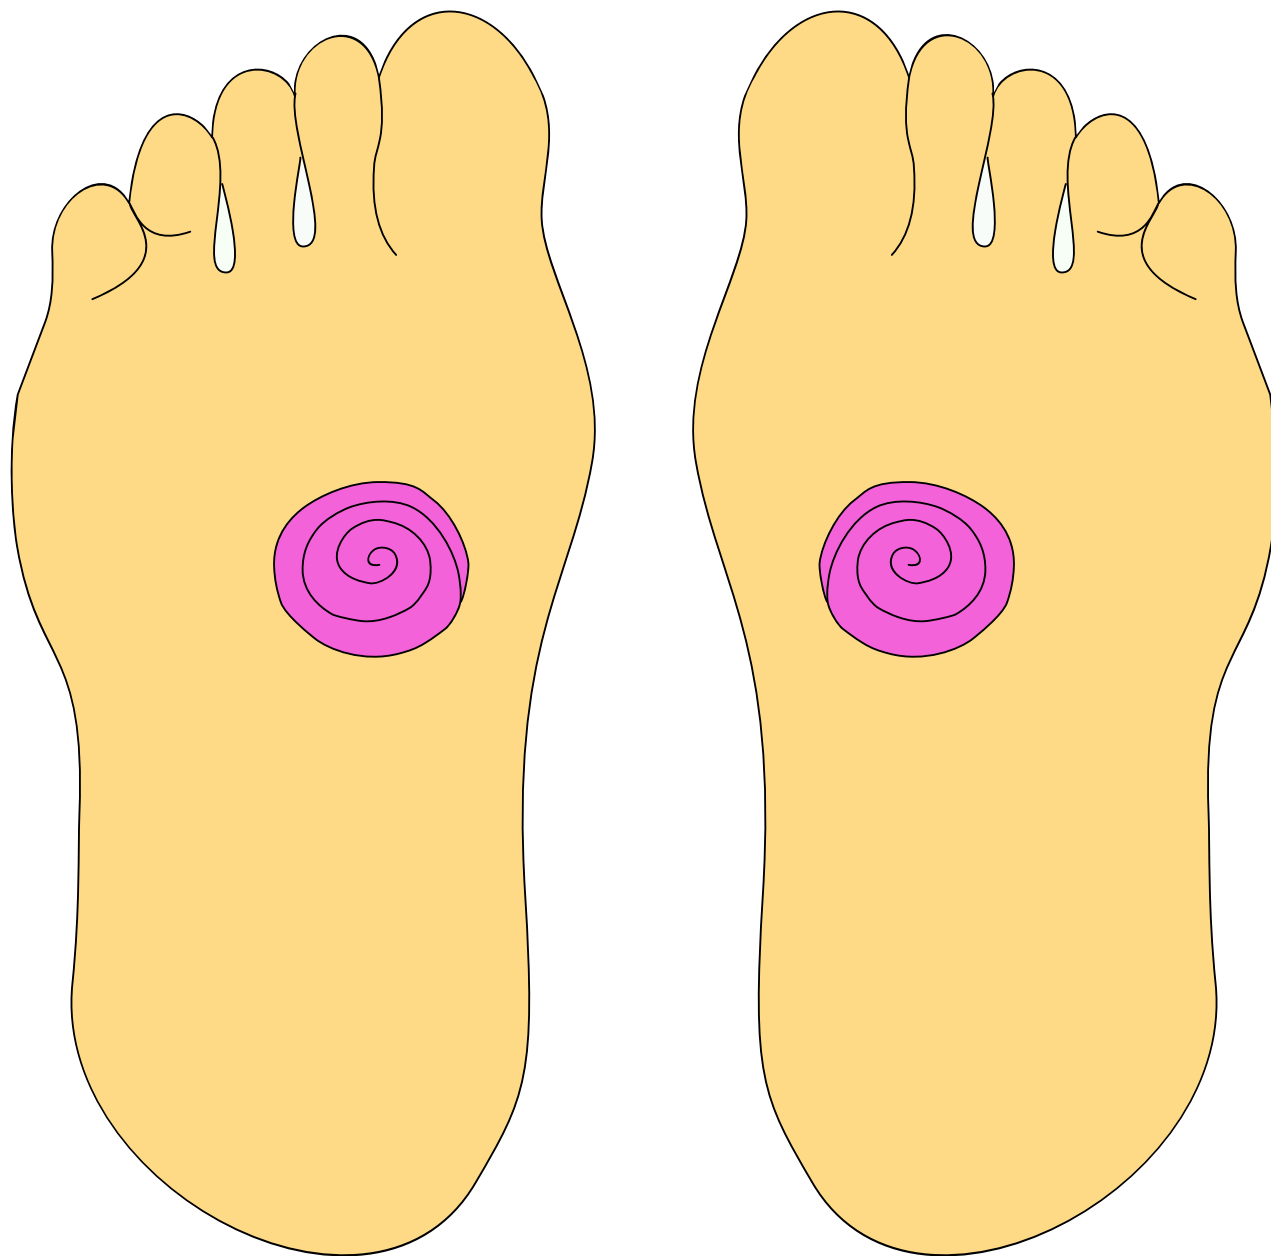

Squirrel

Squirrel running through the trees
collecting nuts, rustling leaves
he carries them down to the ground below,
buries each one in its own little hole

Solar plexus reflex

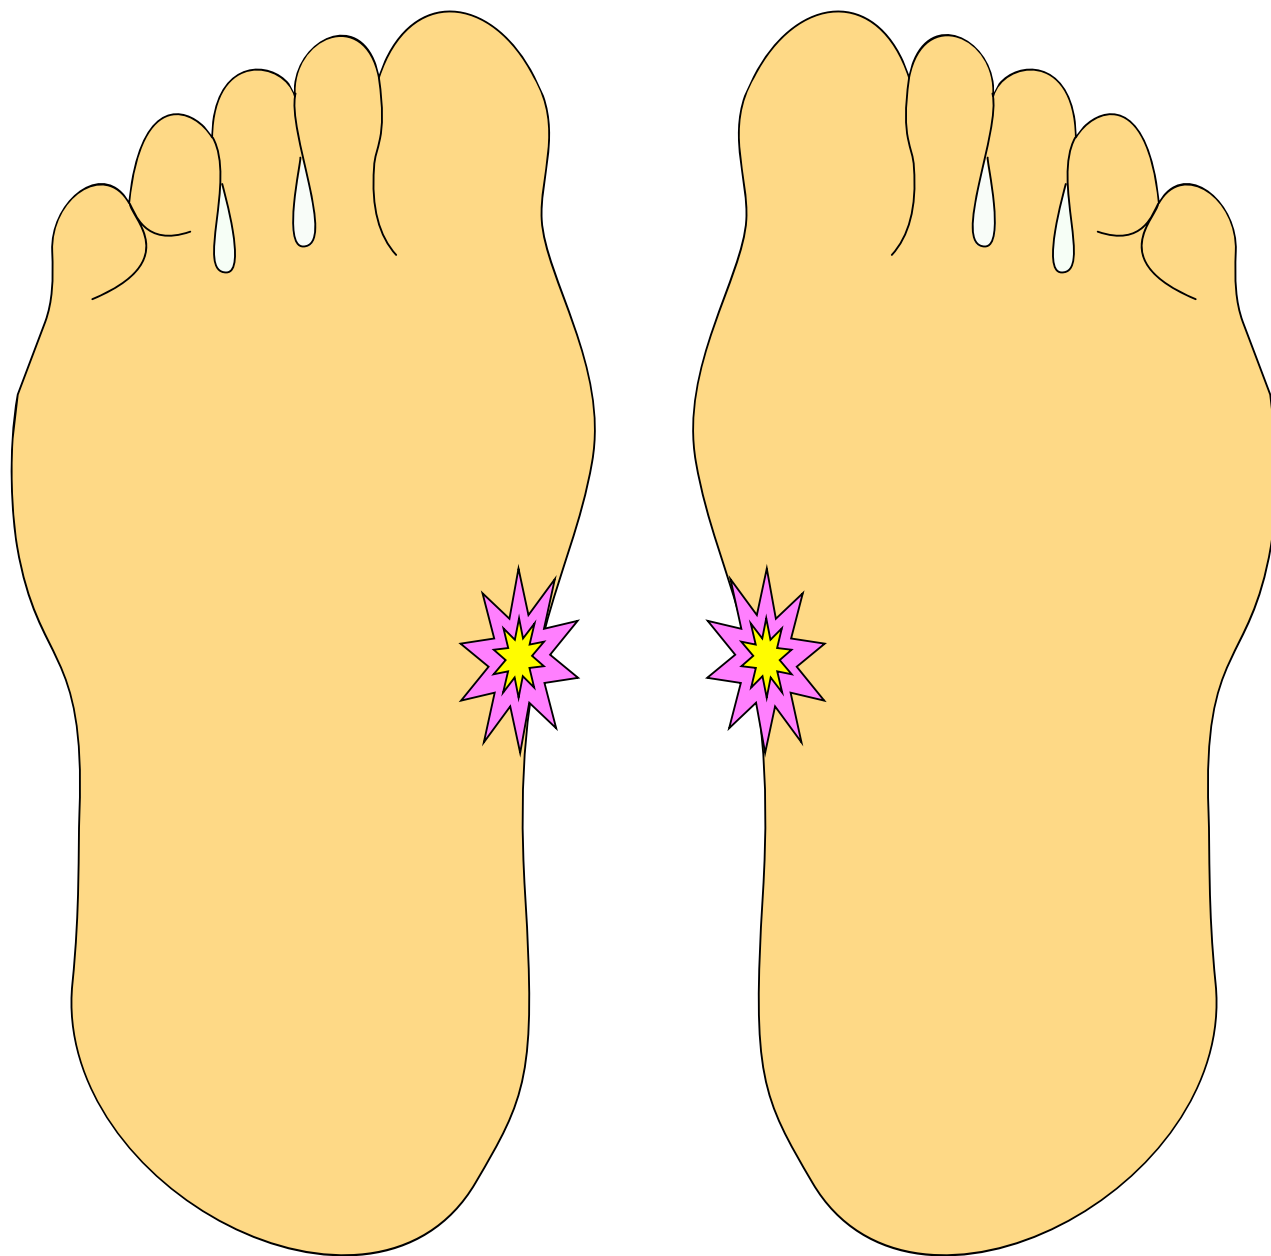

Mouse

Her favourite place, that Mouse likes best
Is curled up in her cosy nest
There's nowhere that she'd rather be
It fills her up with joy and glee

Solar plexus reflex

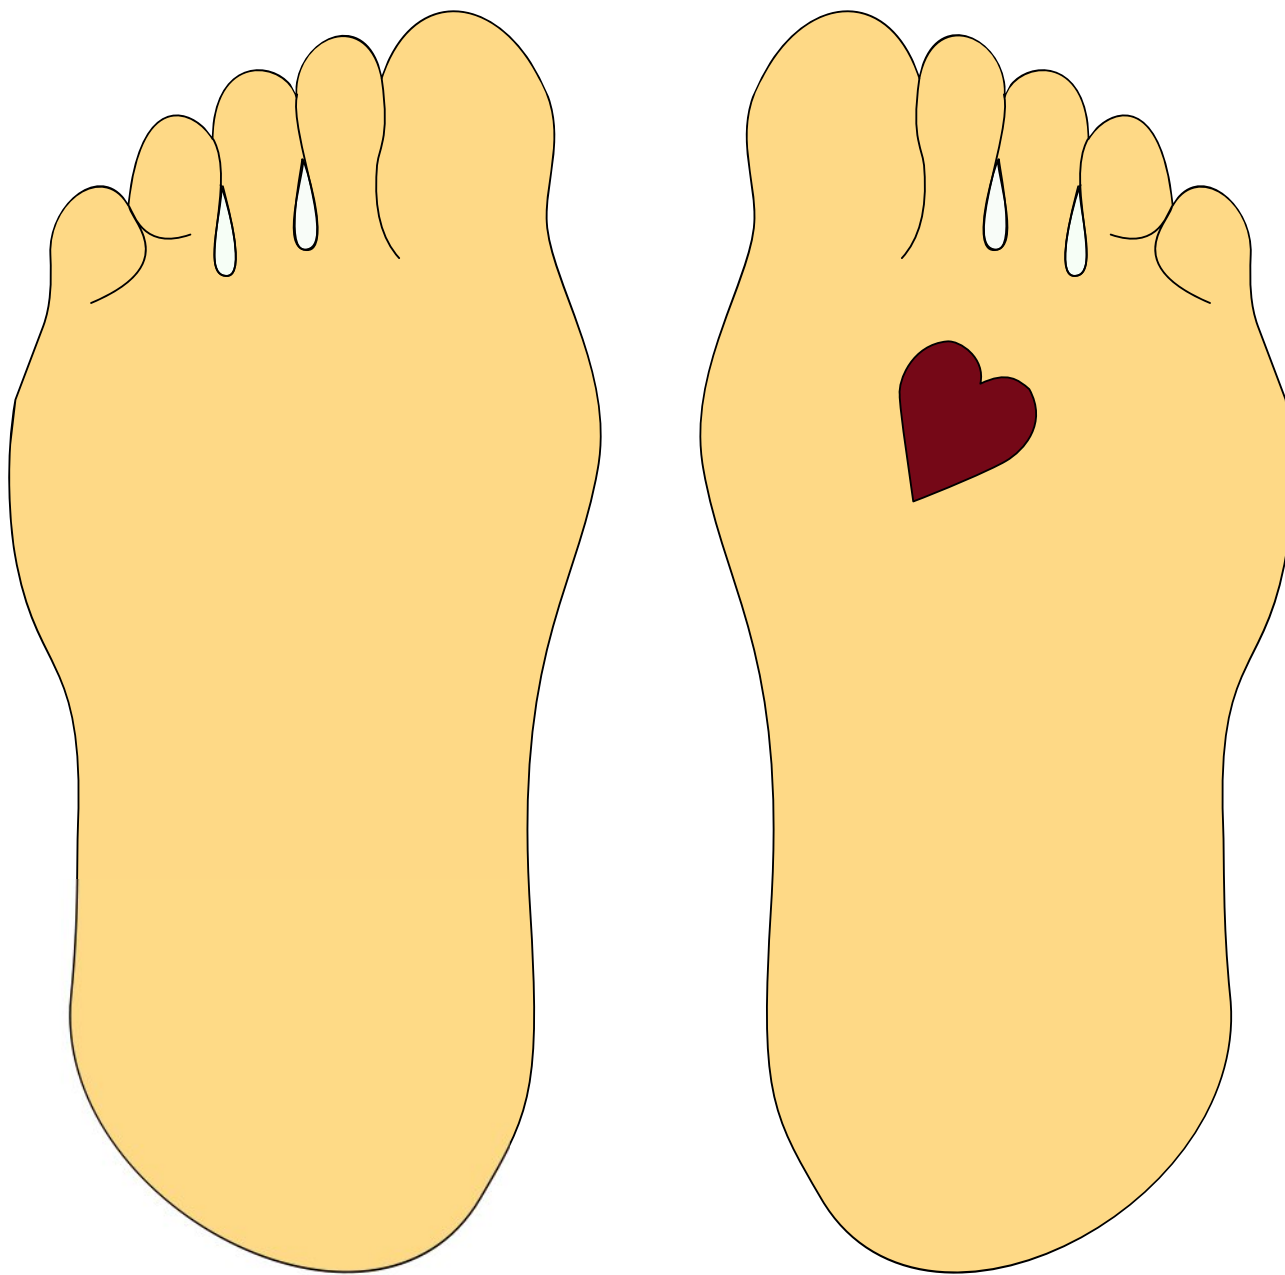

Mouse

Her favourite place, that Mouse likes best
Is curled up in her cosy nest
There's nowhere that she'd rather be
It fills her up with joy and glee

Heart reflex

Robin

Robin flying through the air
Singing songs without a care
All his friends are listening
They love to hear the songs he sings

Ears & Eyes Reflexes

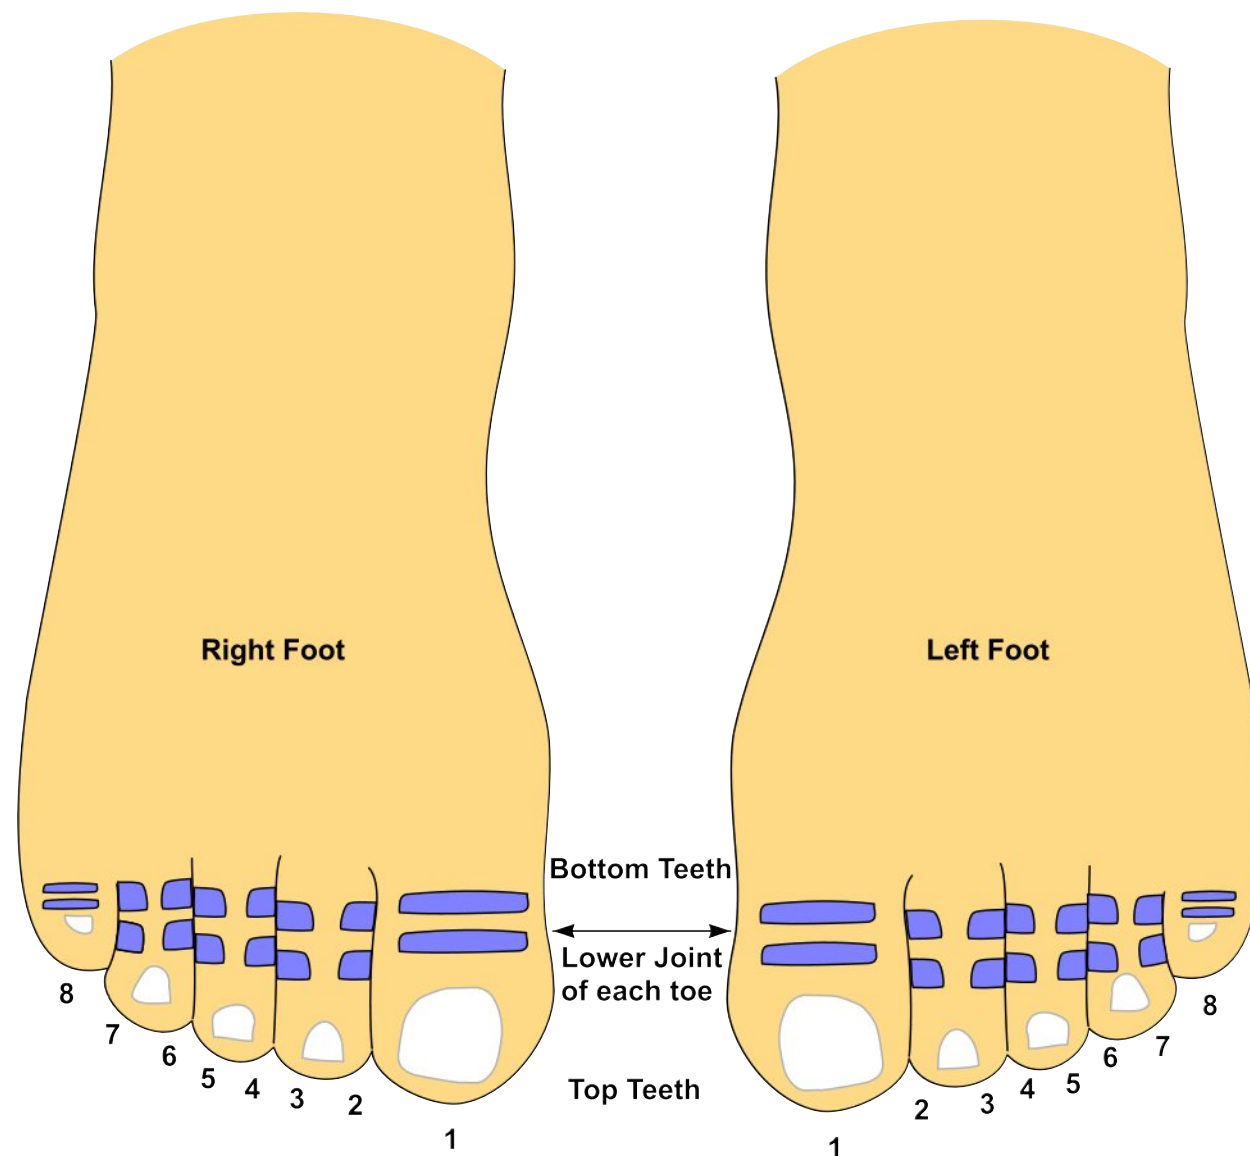

Owl

Sitting high up in his tree
Everything Owl hears and sees
Keeping watch on all his friends
If trouble comes, a hoot he sends

Teeth Reflexes

Hedgehog

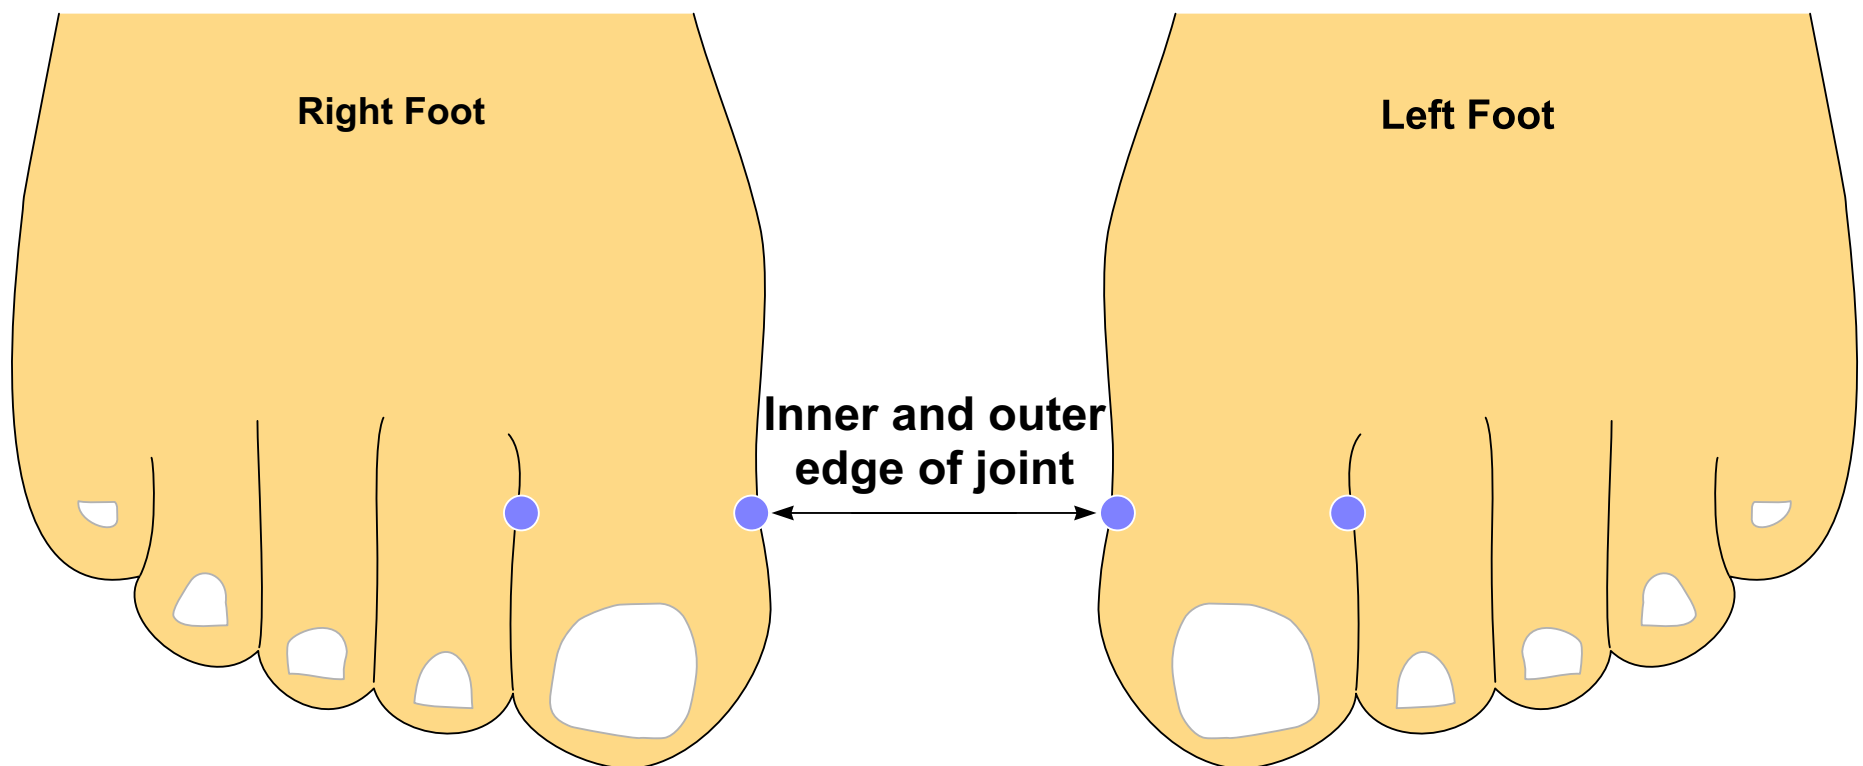

Hedgehog in a leafy mound
He's startled by a sudden sound
From high above a chestnut falls
He rolls into a prickly ball

Teeth Reflexes

Temperomandibular Joint

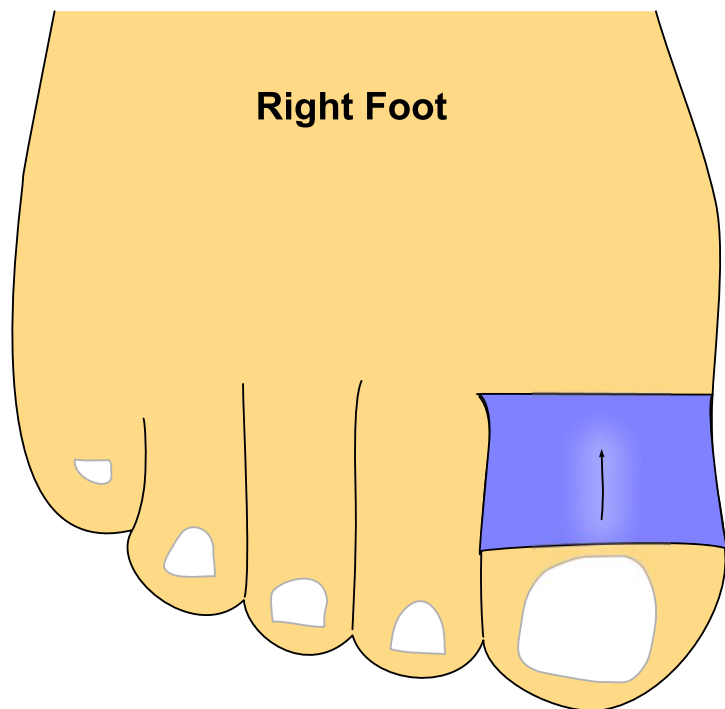

Hedgehog

Hedgehog in a leafy mound
He's startled by a sudden sound
From high above a chestnut falls
He rolls into a prickly ball

Teeth Reflexes

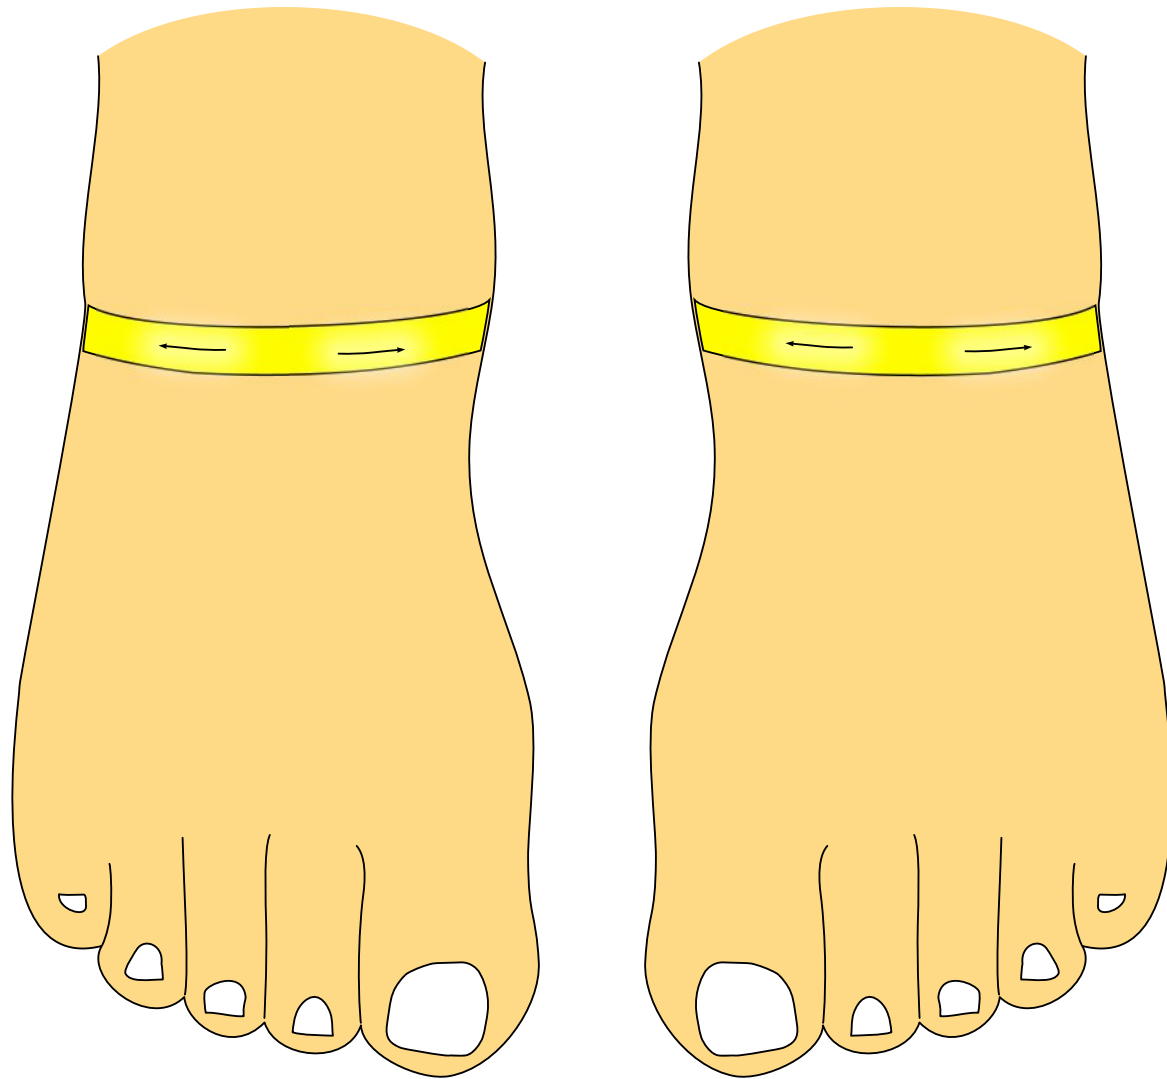

Hedgehog

Hedgehog in a leafy mound
He's startled by a sudden sound
From high above a chestnut falls
He rolls into a prickly ball

Lymphatic System Reflex

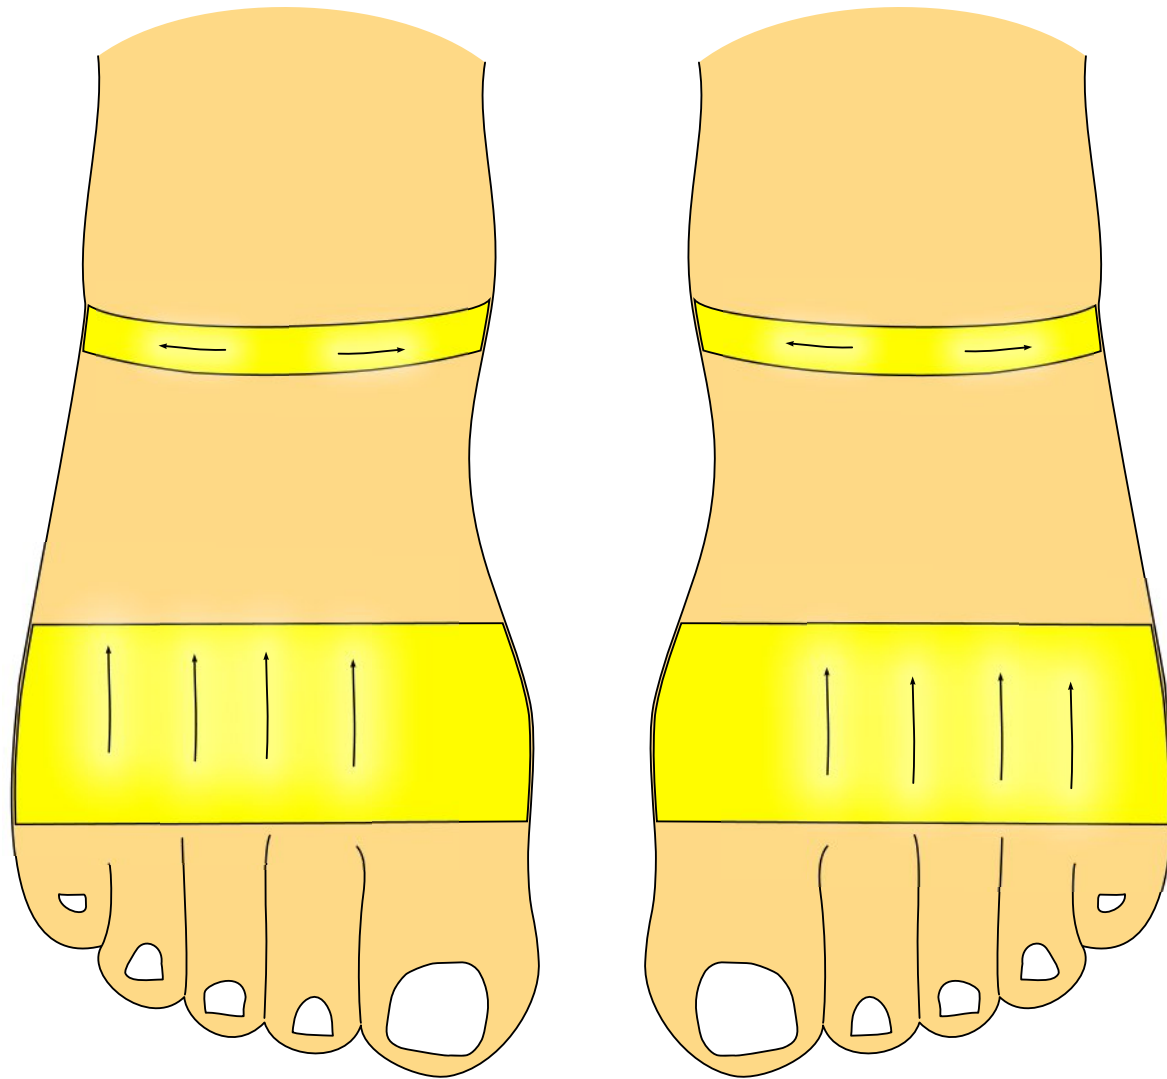

Otter

Here is Otter floating free
Out on the glittering deep blue sea
Down he swims with a splashy splish
Up he pops with a silver fish

Lymphatic System Reflex

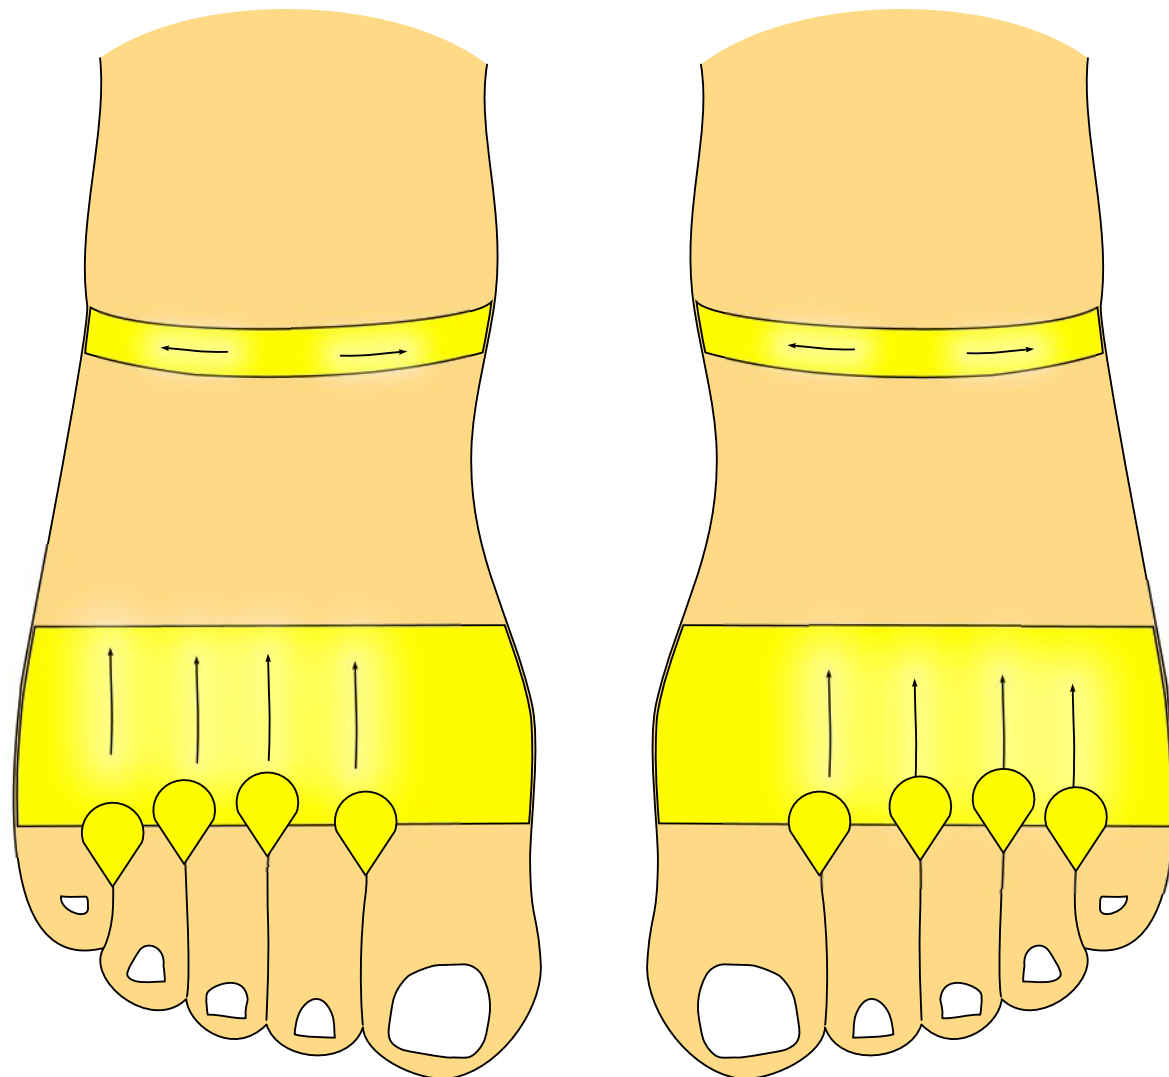

Otter

Here is Otter floating free
Out on the glittering deep blue sea
Down he swims with a splashy splish
Up he pops with a silver fish

When Badger bumbles through the wood
All his friends feel safe and good
He brings them treats along the way
Visits each one every day

Urinary System Reflex

Frog & Toad

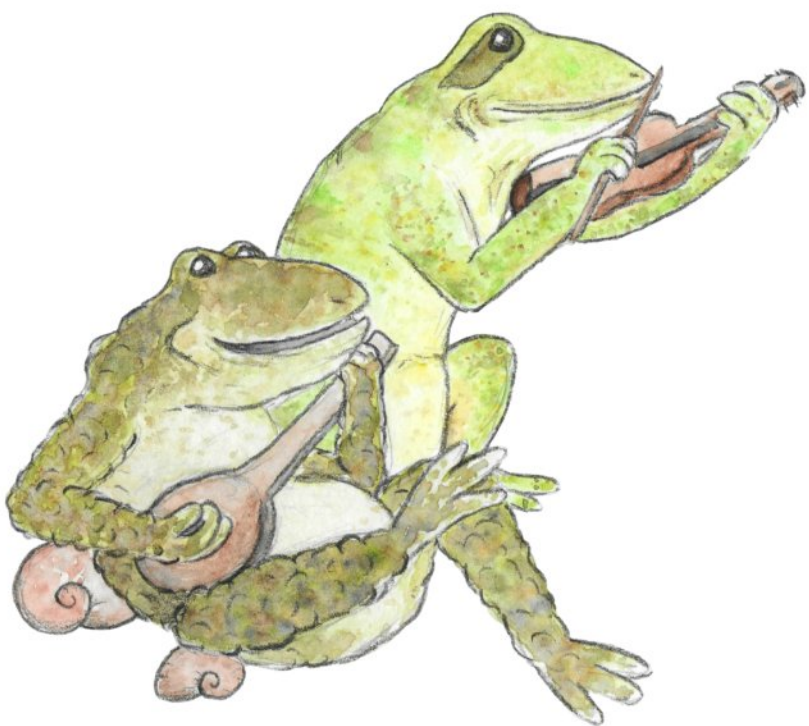

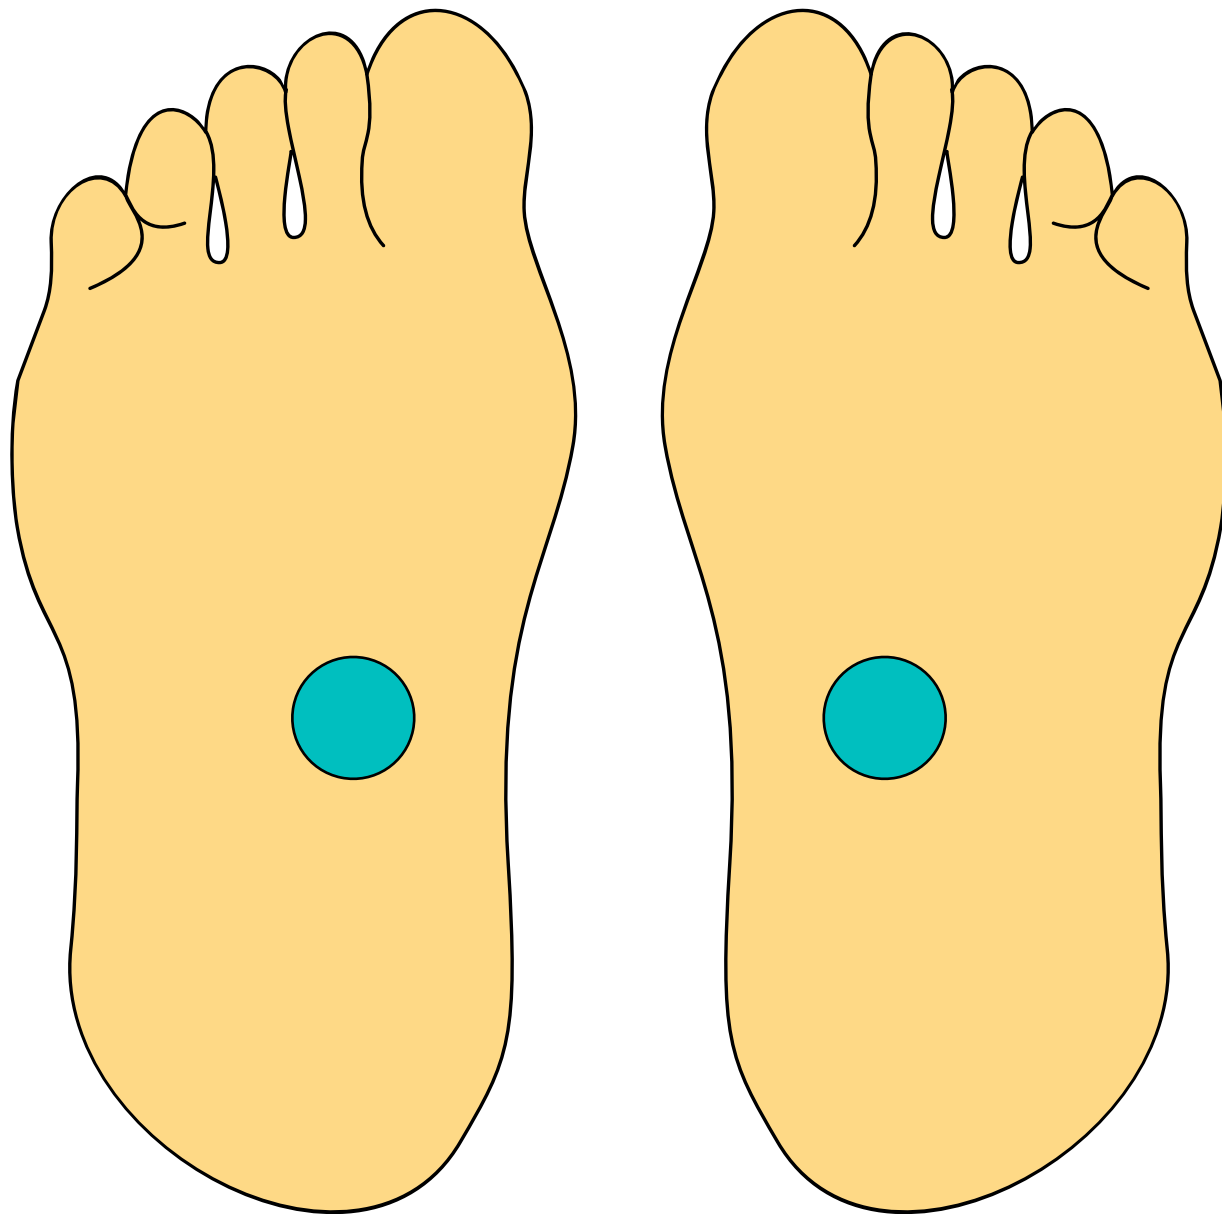

Frog and Toad are music lovers
They're very close just like brothers
Frog plays violin, the fiddle
Toad plays banjo and sings the riddles.

Ribbldee, ribbldee, ribbldee, ree
Join the song with frog and me!
